

0027 cable leg warmers

size: uni

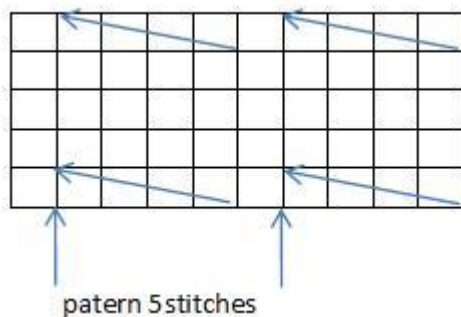

material: 150gr Merino Vlnap /50%merino, 50%acryl/, double pointed needle size 3, marker, cable needle, needle

Used patterns:

Stocking stitch: K

Single rib: K1, p1

Cable: cable four front: slip two stitches from the left-hand needle onto the cable needle and leave it at the front of the work, knit next two stitches from the left-hand needle, then knit the two stitches that are on the cable needle to complete the cable

□ K

C4F – two on the cable needle in front of work, two knit, knit two from cable needle

On the diagram there are all rows.

Instruction:

Cast on needle number 3 48 stitches. Turn work and knit first row with single rib, at the same time separate into 4 needles, each needle has now 22 stitches. Place marker, to mark start of the row. Be carefull not to twist work, from now we knit in rounds. Single rib continue untill 7cm.

In next row increase every 8 stitch / 6stitches / + one increase at the end of the row. We increased together 7 stitches, have 55 together.

Continue with patern cable. Patern between arrows repeat 11x, 6 cables high.

Continue with 16cm stocking stitch, after app.48 rows continue with cable patern.

Repeat 11x, 2 cables high.

In last row knit two stitch together /k2tog/ - we have now 54stitches on the needle and continue with single rib patern. After 6cm loosely cast off.

Second warmer make same way.
